ABOUT US

"GSP Cookware, a brand of Exotica Steel India, brings decades of manufacturing expertise to modern kitchens and growing businesses.

With a strong focus on quality, consistency, innovation, and dependable supply, we offer a wide range of premium Triply Cookware, Stainless Steel Cookware, and thoughtfully designed kitchenware solutions for wholesalers, distributors, retailers, and institutional buyers.

From material selection to finishing, every product reflects our commitment to reliable performance, lasting durability, and market-ready design.

Backed by manufacturing strength and deep industry experience, GSP Cookware is more than a product brand—we are a long-term growth partner for businesses across India and beyond.
